SO WHY CHOOSE SPN?

**SPN** is the UK's leading source of up-to-date and high quality information for the wet leisure sector. Covering both residential and commercial markets, **SPN** provides a wide variety of news, authoritative comment and in-depth features on and about swimming pools, hot tubs, spas, swim spas, saunas and more. Projects, products and services are all covered by **SPN**.

First published in 1959 under the name **SWIMMING POOL REVIEW** and formerly known as **SWIMMING POOL NEWS**, **SPN** remains the only publication to have stood side by side with the industry through both the good and difficult times. The magazine celebrated 60 years of continuous publishing in 2019, making **SPN** by far the oldest and most respected industry trade title available in the UK.

**SPN** is acknowledged as the **essential source of information** for the industry professional and we continually review our content and distribution. By doing so, we ensure **SPN** is focussed and provides relevant and engaging information to the right audience.

With **a unique and loyal audience** and a distribution of nearly 7,000 copies every other month, **SPN** is the first choice publication to use when targeting key decision makers within the UK wet leisure markets. A high percentage of loyal **SPN** readers archive each issue to refer to at a later date, providing **a longer shelf life**. Our virtual edition, which also features an online archive also provides an invaluable resource to readers and gives added value to advertisers.

With **a wide range of ways to promote your company** both in the magazine and electronically, **SPN** is able to offer advertisers the best and widest range of options available.

**Gregg Titmuss - THE SPA DOCTOR**

THE OFFICIAL MAGAZINE

Since our April 2010 edition, **SPN** has incorporated **POOL & SPA INDUSTRY**, the trade magazine launched a number of years ago by the BSPF. While still retaining full independence, **SPN** also carries news, views and opinions from the BSPF, SPATA, BISHTA, SPATEX, the PIP committee and the STA.

The licensing of **POOL & SPA INDUSTRY** raises funds and means that we are the only UK trade magazine that is re-investing in the industry that it serves.

OUR GREEN CREDENTIALS

**SPN** is doing its bit for the environment. Each edition is published on an FSC MIX paperstock from responsible sources and from the start of 2020, our magazines have been mailed using a biodegradable film. In addition, the **SPN** website is powered by ‘1&1 Green Hosting’ and all our virtual editions are carbon neutral.
DIGITAL EDITIONS
Since December 2007, each edition of SPN has been available via our unique website archive as a carbon neutral and eco-friendly virtual publication.

Each searchable publication is free to access and provides buying authorities with an invaluable digital resource. It adds hundreds of readers to the circulation of each issue and also means that SPN is available to as wide a range of readers as possible, 24 hours a day, 7 days a week.

With options including ‘send to a friend’ and the ability to share via various social media platforms, this interactive edition is very user friendly.

The virtual edition is great for advertisers too as any advertising placed within the magazine is working harder over a longer period of time.

WHAT OUR ADVERTISERS SAY:
“Together with their market knowledge, professionalism and willingness to advise and assist at all stages of our advertising planning, for us SPN have delivered on their promises with a complete service package.”
Paul Grunhut – TOTAL WATER PRODUCTS LTD

WHAT OUR ADVERTISERS SAY:
“This magazine is good because the people are easy to deal with and since absorbing the Industry side, it has a very wide coverage of news and readership, for the local authority, wet leisure and pool professional markets which we at Swimex, as a major supplier of fixed and telescopic pool enclosures, deals with.”
Chris Elliot – SWIMEX ENCLOSURES

WHAT OUR ADVERTISERS SAY:
“Complete Pool Controls have benefited considerably from its advertising in SPN. The magazine has a balanced approach to recreational water sectors including swimming pools, hot tubs and commercial operators and the magazine is valued in terms of it broad appeal across these sectors, underlined by the breadth of advertisers.”
Mark Ramsden – COMPLETE POOL CONTROLS LTD
WEBSITE & SOCIAL MEDIA

SPN has had an online offering since 2000 and actively utilises social media (Twitter, Facebook and Instagram) to highlight jobs, news and more. In addition, we often post ‘live’ to our social media accounts from any exhibitions we attend.

The SPN website carries highlights of the current edition, a Twitter feed, exclusive online only news content, the latest industry jobs, show reviews, technical papers, exhibition listings and contact / media information plus much more!

Google Analytics shows that the SPN website averages just over 5,500 visits (sessions) a month (01/09/18-31/08/19), with 75% of all activity originating in the UK and 25% from a further 116 countries from around the world.

Banner advertising is available on the SPN website and prices start from just £445 for six months.

DIGITAL MARKETING

SPN regularly communicates with both its advertisers and readers through responsive email campaigns. Whether it’s to advise on upcoming issue content, the latest news or a development on the website, we have found this a great way to communicate to the industry as a whole.

Sponsorship of a series of emailers (which currently are sent to just over 4,000 recipients) is possible through banner advertising. Costs start from just £300 for a minimum of 3 mailings. This is a cost effective way to promote your company, website, special offers and events.

They remind us when there is something relevant going in the magazine and encourages us to contribute as well as keeping in touch between times with updates in regards to the industry. The advertising team are always professional, flexible and ready to help and ultimately we find SPN an excellent and valued partner.”

Tony Fisher - WATERCO EUROPE LTD

WHAT OUR READERS SAY:

“We were very impressed with the magazines and thought our customers may also feel the same as we did. We placed the complementary copies around our show site for customers to read and found there was a lot of interest. With this in mind, our Managing Director Mark, asked if it would be possible to receive complementary copies of all subsequent editions of both What Pool & Hot Tub and SPN in the future, so that we may continue to display them.”
